BPR/RICO Manufacturing, Inc.

RICO SPONSORS VETERANS DAY ASSEMBLY AT LOCAL SCHOOL

FOR IMMEDIATE RELEASE

(November 12, 2013 – Medina, Ohio) RICO Manufacturing sponsored a local Medina County middle schools' annual assembly. The event was held to remember and honor our Nations Veterans.

On Veterans Day, Claggett Middle School invited over one hundred local veterans to attend an assembly put on by all of its students and faculty members. The event opened up with the choir - whose carefully arranged attire resembled an American Flag - singing the National Anthem. Following the anthem, dynamic poems were read, the band played their version of Taps and a series of speeches were given from Veterans of various branches. Rico Veterans also attended and were recognized with their fellow Vets.

Rico President, Steve Shuck, is a huge advocate of supporting and recognizing what these heroic individuals have done. "It's so important to never forget what our Veterans have done and continue to do for this country. We want to always support and respect the men and women that have fought and are currently fighting for what we strongly believe in. It's so great to see children actively engaged in activities that will give them a better understanding of the importance of what our troops do and the sacrifices they make."

A reception was held at the conclusion of the assembly for the student's and Veterans that attended to enjoy.

Rico Manufacturing is proud to be fabricators of the world's finest specialty lift trucks. With over 130 years of experience, RICO has pioneered the design, development and manufacture of specialized lift trucks with capacities up to 400,000 lbs.
