INTRODUCING THE EX COMPACT PALLET TRUCK

-Smaller, Yet More Capable!

The all-new streamlined PWH: A compact, low-lift explosionproof pallet truck designed for superior performance. With a smaller footprint, it still delivers the robust power and reliability you need, making it the perfect solution for tight spaces without compromising on strength and performance.

The EX Compact Pallet Truck delivers power, precision, and efficiency, engineered to provide a reliable solution tailored to the specific application.

- Compact Design - Maneuver effortlessly in tight spaces
- Smaller Footprint - Maximize warehouse efficiency
- Same Robust Capabilities - Handles tough jobs with ease
- Ease of Maintenance - More Productivity, less downtime
